

STUDENT CENTRE, WELLAND CAMPUS

The Niagara College Student Administrative Council (SAC) is a vibrant part of student life and a critical partner in the operations of Niagara College. SAC organizes and supports activities and events to enhance the academic and social experiences of Niagara College students.

The new Student Centre, The Core, is a state-of-the-art and fully accessible allowing SAC to increase its capacity, its business and its ability to offer students services. Moving to the main building allows students to access facilities without having to brave the elements. It is directly connected to both the new Athletic Centre, and the Library and Learning Commons, dramatically improving the student experience for many years to come.
